Antique Oil on Canvas Painting of Cows In Pasture, Signed by Paul Stellenger

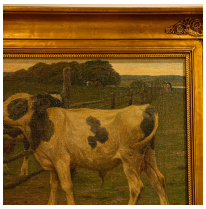

This delightful oil on canvas painting reflects cows grazing along a fence line. It is a bucolic scene and a traditional subject for the Danish painter, Paul Stellenger (whose signature is seen in the lower right corner). The canvas will benefit from a cleaning but we are leaving that to the discretion of the buyer. The gold gilt frame is in good condition for its age as well, with minor paint loss along some edges and minor scratches. No restoration has been done to this painting; we are selling it framed as we found it in Europe.
