Vintage Chrome and Leather Office Chair

This original vintage office chair has very dark brown leather that almost looks black and is accented with chrome. The leather is in good used condition, showing more wear, scratches etc along the back where it likely rubbed against a wall. Seat back has tilt function. One of the round discs that protects the floor is only 1/4 of the round circle while the other 3 are intact.

Before you purchase this item, we need to inform you it is being sold as is, in original condition how we found it in Europe. Please review photos carefully as it is not restored, there may be pieces missing, extensive wear, etc. We invite you to contact us with any questions regarding this or other pieces, and hope to assist you further.
