Antique Swedish Original Red and Green Painted Cupboard Cabinet Dated 1775

It is the beautiful original paint grown softer over time that creates the gentle appeal in this lovely cupboard from Sweden. The muted burgundy red background with soft green panels displaying delicate flowers were all hand-painted in the late 1700's. Notice the date of 1775 and monogram over the top two cabinet doors, topped by a darker green traditional Swedish bonnet or crown. This Swedish pine cupboard is being sold in as is, used condition as we found it in Europe. Please inquire if you have questions regarding this or other items in our collection.
