Antique Pair of Tall Icons on Wood Panel Circa 1800's, Saint Bartholomew and Saint Peter

Impressive and tall, these original hand-painted on board icons of Saint Bartholomew & Saint Peter originally hung inside a Swedish church in the early 1800's. The paint shows soft fading and craquelure throughout which adds to the gentle grace of these two tall icons, while the age related cracks in the wood do not impact the integrity or strength of the pair. These two lovely icons are sold in as is, original used condition as we found them in Europe.
