Original Painted Antique German Armoire Dated 1774

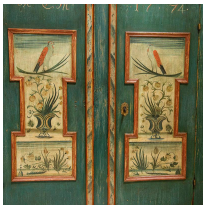

This remarkable armoire has exceptional original paint and is dated 1774 with a monogram of "M M" beside it. The detailed, hand-painted panels includes lovely birds (in the upper panel section) resting upon a vase bursting with flowers. The panels are highlighted with a red painted finish, while the canted sides and upper section of the large armoire have exquisite painted flourishes that add to this prestigeous German armoire that rests upon large bun feet. It was designed and built to "break down" making it easier to install, move upstairs, etc. This large cabinet has been restored and waxed; it is strong/stable and ready to use.
