Antique Original Floral and Heart Painted Armoire Cupboard from Germany

This original hand painted armoire is known as a "Tölzer Bauernschrank" in German. The straight profile along the top, canted sides with polychrome painted flowers and hearts reflect traditional elements of a "Farmers Cupboard." In the lower third of the two doors is the sigma Jesus and the monogram Ave Maria. The base color is black with accents of dark brown, red, blue and green. Notice the interesting interior shelving and hinges. This delightful armoire has been restored and waxed so is ready to be used and enjoyed. Expected age related wear, cracks, distress, etc. do not detract from the beauty nor function of the cupboard.
