## Antique Large Blue Painted Chest of Drawers With Gold Trim, Sweden

The blue painted finish is captivating on this large oak chest of four drawers. Enlarge the photos to appreciate the balance of blue paint and gold trim (with red undertones) which are all perfectly distressed to reveal the natural oak below. The oak drawers are spacious, each have two pulls. Any cracks, wear, separation is commensurate with age; in particular cracks in the bottoms of the oak drawers. This chest is sold as is, how we found it in Europe.
