Original Blue Painted Antique Bench With Storage

Bright and cheerful, this 6' bench has hidden storage under the hinged seat which was a traditional element in this style of bench throughout the 1800's in Europe. The festive blue paint is all original, and accented by a colorful flower motif with red, green and yellow. The distress, wear and cracks that came over generations of use simply add to its vintage appeal. The separation of planks one sees in the bottom of storage area are expected and do not impact function. This bench has been restored and waxed; it is solid, stable, strong and ready to be used and enjoyed.
