## Antique Swedish Blue Painted Cabinet Cupboard

There is an understated elegance to this lovely cupboard which likely came from a Swedish country manor house. The natural pine has been given a (newer) blue painted finish, with soft undertones of gray. Please enlarge the photos to appreciate the gently distressed finish which compliments the age and generations of use this cabinet received. Restored, it is strong/stable and ready for use; any scratches, marks/dings are age related and do not detract from the beauty nor function of this delightful Swedish cabinet.
