Antique Oak Narrow Coffee Table with Two Drawers

Form and function come together well in this narrow coffee table. The heft of the oak is balanced between the thick top and heavy turned legs with stretcher attached. Two drawers add functionality while keeping visual balance as well. The oak has been left natural and lightly waxed allowing the old knots, knarls and age related cracks to deepen the character of this small but visually strong coffee table. Restored, stable/level and ready to be placed and enjoyed.
