Vintage Single Cherub Cement Birdbath

The attractive worn patina of the cement comes from years of use as a birdbath in the French countryside. Knicks, minor cracks, old lichen are all typical age related wear and indicative of the years spent outdoors as a garden sculpture with traditional cherub holding up the bowl section. This vintage cement birdbath is sold as we found it in Europe with no restoration or changes made.

- Price: \$950.00
- Year/Circa: 1940
- Origin: France
- Color: Gray
- Dimensions: 19w x 19d x 36h
- Item #: 16377
