Antique Pine Farm Trestle Table 6' Dining Table

At just over 6' long, this old farmhouse table will serve well in today's modern home. The top of this table was made from 3 long planks, which reveal generations of use in every scratch, ding, gouge, and even old dried out worm holes (of no concern today). This dining table has been restored so it is in strong/stable condition and given a wax finish bringing out the warmth and patina of the pine.
