Antique Set of 8 White Painted Swedish Rococo Dining Chairs

Swedish country charm exudes from this set of 8 rococo dining chairs with graceful curves and simple carved details. The dove gray painted finish has been gently distressed over generations of use. All the chairs have turned stretchers connecting the legs to reinforce the structure and help keep them tight and sturdy. The seat height is 17" and each of the padded pop out seats can easily be re-upholstered if desired. These chairs are strong/stable and ready for use; any knicks, scratches or signs of wear are commensurate with age.
