Antique 7 Drawer Mahogany Highboy Chest of Drawers Dresser from Denmark

This wonderful highboy has 7 drawers which showcase the remarkable grain of the mahogany wood. A key is used as the drawer "pull" which was traditional with this Danish style of highboy from the mid 1800's. Four keys are included, the middle /fourth drawer does not lock. This chest of drawers breaks down into 2 pieces to making shipping and installation easier. The highboy has been restored, all drawers function, it is solid/stable and ready to be used and enjoyed. Any small cracks/knicks are age related and do not detract from the beauty nor function of this remarkable piece. Please enlarge photos to appreciate the details.
