Antique White Painted Large Chest of Four Drawers

The European country charm of this vintage dresser comes from the lightly distressed and scraped (newer) white paint creating a gentle contrast with the natural pine beneath. The half column side trim also accent the four deep drawers, the top one has a decorative recessed panel. There is great storage available in the deep, spacious drawers. The case is sturdy and all drawers function. This large dresser or blanket chest has been restored and is strong, stable and ready to be used and enjoyed.
