Antique Gray Painted Pine Cabinet With Wire Mesh Doors from Hungary

This antique gray painted 2 door cabinet with lower drawer has had the glass replaced with wire mesh giving the bookcase a more open and accessible feel. Where the (newer) grayish blue paint has been scraped there are hints of natural pine showing through creating the country appeal of this charming cabinet. The interior has a hanging rod and single shelf. Please enlarge and examine the photos close up to appreciate the details and condition. This cabinet has been restored so it is strong, stable and ready to be placed and enjoyed.
