Large 14' Long Antique Dining Table With Two Leaves Painted White from Sweden

Graceful lines are seen in the cabriole legs of this lovely Swedish dining table, which extends to a remarkable length of just under 14 feet. It is the (more recent) white painted finish that captures the eye and adds a touch of romance to it as well. There are two removable leaves at 89" deep that allows flexibility to expand the table to 13'10" to seat more guests. Photos are included to view with and without the leafs inserted. Please examine photos to appreciate the white painted finish which is slightly distressed to fit the age of the table. It is rare to find a dining table of this size which is refinished and ready to be used and enjoyed.

Length Closed/No Leaves: 77"
Length Open w/1 leaf: 121.5"
Length Open w/2 leaf: 166"
