Mid-Century Modern Two-Person Illona Sofa designed by Arne Norell

Mid-Century Modern two-person sofa designed by Arne Norell. Stretched with leather sling sides and back, loose cushions are covered in neutral fabric. The Illona model was inspired by safari furniture and manufactured by Aneby Møbler. This unique sofa sits comfortably with low, reclined seating. Leather shows wear, distress, scratches/scuffs and slight tearing (near buckles). Cushion fabric shows stains and should be cleaned or re-upholstered which we leave to the discretion of buyer. Sold in used, vintage condition. Arne Norell was a Swedish designer and furniture maker. He is known for using traditional, classic materials such as leather and wood. Seat Height: 15 inches.
