Pair, Antique White Painted Stools or Tabourets from Sweden

This lovely pair of Swedish stools or tabourets have graceful curved, splayed legs which add an elegant touch to the pair. The turned hand rests provide stability as well as balanced beauty. The aged patina of the later paint adds to their charm. The fabric shows wear and is ready to be replaced with modern upholstery at the discretion of the buyer. This pair is solid, stable and ready to be enjoyed. Any scratches, cracks, dings, or age related separation are commensurate with age and do not detract from the beauty nor function of these lovely stools. Seat height: 17"
