Antique Oak Desk Writing Table With Two Drawers from France

This attractive French oak writing table has two wide drawers in the apron and 4 turned legs connected by a low stretcher. Note that it is free-standing, with a handsome "X" pattern carved into the deeper skirt of the backside. The rich patina comes from generations of use; note the stain around work surface (seen in top photo), nicks, and scratches that are all commensurate with age. Restored, strong and stable, this will serve well as a desk or entry table carrying an essence of solidity and grace. The skirt to floor height below the drawers (where one would sit) is 24.25"

With over 37 years of experience selling European antiques, our brick-and-mortar storefront, Round Top Ranch Antiques (located in Texas) offers one of the largest curated selections in the nation with over fifteen thousand square feet of inventory to choose from. We look forward to helping you find the perfect addition to your home or workspace. Thank you for visiting our online store!
