Black Leather Mid Century Three Seat Sofa With Chrome Frame from Denmark

This handsome mid century modern sofa has both a modern and timeless appeal due to the classic black leather and chrome frame. The front reflects the look of a Le Corbusier LC3 sofa but was made in Denmark with a simple fabric back. It is 6.5' long with three seat cushions. The comfortable (removable) black leather cushions have decorative seams in each and show typical age-related wear including scuffs, impressions, etc. The chrome frame has similar signs of wear commensurate with age such as scratches, worn/stained areas to the chrome, etc. This sofa is in solid, stable used condition and is ready to use and enjoy.

Seat height: 17 inches

Height at chrome frame: 26.75"

Height at back of cushions: 28"
