Antique Original Gray Painted Side Table From Sweden

It is the original soft gray painted finish and gently curved cabriole legs that attract attention in this endearing Swedish gustavian side table. The paint had been gently distressed through generations of use which instills an aged grace to the table. The top was painted a contrasting brown with black trim, now distressed as seen in the scratches, stains, and typical /minor age-related separation of planks which simply adds to the authentic vintage appeal. This side table has been restored and given a wax finish; it is strong, stable, level and ready to be placed and enjoyed.
