Pair, Antique Tall Blue Painted Book Case Display Cabinets with Glass Doors from Paris, France *At Mary & Henrik's

Pair of stunning painted pine bookcases from the Department of Justice in Paris, France.

Over 8 1/2' tall with interior adjustable shelves. Dentil molding, starburst medallions and carved side columns.

The original gray/blue painted finish has been softened through years of use leaving an incredible natural patina.

Condition: strong and stable, the keys act as "pulls" to open doors. Any scratches, dings, signs of wear/distress are reflections of generations of use and do not impact the function nor appeal of this striking pair of tall bookcases.

Each display cabinet is built in two sections, upper with glass doors and lower cupboard for easier transport and installation.

Please refer to professional photos to clearly understand finish, details, condition, etc.
