Pair, Antique Gustavian Tall Narrow Bookcases Display Cabinets from Sweden circa 1880

Pair, tall narrow gustavian column cabinets built in two sections each.

Traditional carving along front and side panels, beaded trim under crown.

Later applied professional white painted layered finish, slightly distressed to compliment the age and graceful carved details.

Upper cabinet (63.5"h) with glass doors and four interior shelves, lower cabinet (35.5"h) has one shelf.

Restored, strong and stable, ready to be placed and enjoyed.

Any old cracks, scratches, signs of wear are a reflection of generations of use and do not detract from the beauty nor function of this pair.

4 keys are included; upper cabinets lock, lower cabinets use key as pull only (lock does not function).

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
