## Antique Small Gustavian Side Table With Single Drawer, Painted White from Sweden circa 1880

Antique Swedish Gustavian White Painted Small Side Table With Drawer. Tapered legs and horizontal fluted carving along single drawer. May also serve as nightstand. Restored, later professionally applied white painted layered finish lightly distressed to fit age and graceful lines of table. Any old nicks, scratches, signs of wear are a reflection of generations of use and do not detract from the beauty nor function of this delightful table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
