## Antique White Painted Small Nightstand Side Table, Sweden circa 1820-40

Small Swedish country white painted nightstand or side table, petite writing table. Single small drawer over small interior cabinet doors, resting on gracefully curved legs.

Note the two unique pull out trays, the upper raised could hold a book, while the lower may serve as a small writing surface. Newer professionally applied white painted layered finish gently distressed to fit the age of this charming small accent piece. Restored, strong and stable. Any old nicks, scratches, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this delightful piece.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
