Antique Rustic Slab Wood Coffee Table With Splay Legs, Hungary circa 1900's

Rustic slab wood coffee table with squared splay legs and loaded with vintage character.

At 3" thick, the top is covered in scrapes, deep gouges, stains and markings acquired with over 100 years of use as a work table.

While somewhat bowed from age and use, the top is stable and ready for items to be placed upon it.

The wood has been left raw and natural, and rests upon four original slanted legs. Restored, this coffee table is strong, sturdy and ready for daily use.
