Antique Long White Painted Dining Table Library Console, Sweden circa 1920-40

Long antique white painted dining table with four tapered legs reflecting its Swedish country styling.

The white paint has been softly distressed over years of use, revealing the warm patina of pine wood below.

Restored, strong and stable this dining table may also serve as a library or large writing table as well.

It is the years of use reflected in the scratches, marks, minor cracks, nicks (seen in photo of top) etc that add to the character and vintage feel of this delightful table at over 8' long.

Floor to skirt 23 1/8" h

Narrow end overhang is 4.25"
