Antique Gray Painted French Oak Sideboard Buffet circa 1800's

Large French oak sideboard with traditional carved panel details. At 7.5' long, this will serve as an impressive buffet resting on carved feet.

Please enlarge photos to appreciate the newer professionally applied and layered gray painted finish (with white undertones) which has been lightly distressed to compliment the age and grace of this lovely sideboard.

Restored, strong, stable and ready for use.

A clip closure has been added to the two cabinet doors with original long French hinges. A key is used as pull only for the top drawer; all three drawers function.

Any scratches, cracks, dings, or age related separation are commensurate with age and do not detract from the beauty nor function of this lovely oak buffet.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
