Antique Gustavian Gray Painted Chest of Three Drawers, Sweden circa 1840-60

Lovely gustavian pine chest of three drawers with fluted columns, dentil molding and tapered fluted feet.

The newer, professionally applied layered gray painted finish has undertones of white and is gently distressed to fit the age of the chest.

Top is painted in a darker gray with green undertones creating an attractive contrast to the body.

Restored, strong, stable and ready for use, the 3 drawers function and each have 2 brass pulls. One key included as decoration /accent only.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this lovely dresser.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed
