Original Red Painted Pine Rococo Side Table, Norway circa 1750-90

The original red painted finish has been gently distressed through generations of use, creating the wonderful worn patina found in this lovely rococo pine side table. Note the decorative carving and slender long cabriolet legs that add a romantic touch to this small yet elegant side table. The table top in natural pine reveals nicks, cracks, stains, cracks and distress that create a warm contrast to the red painted base.

Restored, this side table is stable and level, ready to be used and enjoyed.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this lovely piece.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
