## Large Antique Pine Armoire, Hungary circa 1840

It is the captivating deep aged patina of the warm pine that captures one's attention in this lovely and spacious armoire.

Note the many hand carved and patterned hash marks that decorate the crown and vertically along the door.

The old lock and key still function, left door is secured with interior latch.

Restored, waxed, strong, stable and ready to use. In photo of back, you will see that at some point an opening was later covered up. Newer middle and lower shelf.

Any scratches, cracks, dings, old dried up worm holes or age related separation are reflective of age and do not detract from the beauty nor function of this lovely armoire.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
