Antique Pine Farm Table Trestle Dining Table, Sweden circa 1880

At almost 9' long, this wonderful old farm table from the Swedish countryside is a great find due to the much sought after length. The natural pine top is contrasted by a slightly darker hard wood trestle base. There is a 12" overhang on the long sides to the central trestle runner, and a 10" overhang on the narrow ends.

Restored, strong and stable, this table is ready to be used and enjoyed.

The nicks, cracks, stains, and age related separation simply add to the authentic vintage charm of this original trestle base dining table from Sweden.
