Antique Black Painted Demi Lune Side Table Console from Sweden circa 1880

Single pine demi-lune side table with simple Swedish country design and gently tapered legs. Newer professionally applied black painted finish, slightly distressed to fit age and grace of this console. Restored, strong and stable. Any old nicks, scratches, signs of wear are reflective of generations of use and do not detract from the beauty nor function of this demi-lune table. Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
