Antique Pine Chest of Drawers from Denmark circa 1890

Antique pine chest of three drawers resting on bun feet.

Traditional half column detail, simple carved top drawer, dove-tail joints and brass pulls.

Note the natural wax finish that brings out the warmth of the pine.

Restored, this nightstand is strong, stable and ready for use. Drawers function.

Any nicks, scratches, cracks, aged separation (see sides) or signs of wear reflect the generations of use and do not impact function.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
