## Antique Pine Armoire Cabinet Painted Black, Hungary circa 1890

This pine armoire has been given new life with a black painted finish, lightly distressed to fit the age and grace of the cabinet.

One long drawer under the two doors adds additional storage space below the spacious interior cabinet.

Restored, strong and stable, ready to be placed and enjoyed. No lock or key, pulls are used to open both doors and drawers. Any nicks, scratches, signs of wear are reflective of generations of use and do not impact the function nor beauty of this armoire.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
