## Rustic Gray Painted Work Table or Kitchen Island With Shelf, Hungary circa 1880

Rustic work table or shop counter with two drawers and lower shelf. Top and shelf in natural pine, revealing rustic distress from generations of use.

Residual gray and white paint remain on body, adding to the authentic vintage feel of this work table which may serve as a fun modern kitchen island (buyer could also install caster feet to raise height).

The use this work table received through the years is revealed in every gouge, nick, scratch, hole and stain. Typical aged separation of planks.

Restored, strong and stable this table is ready to be used.
