Antique Mahogany Tallboy Chest of Drawers, Denmark circa 1840-60

The mahogany veneer is stunning in this classic tall chest of 7 drawers. The highboy is built in 2 sections making it easier to move/install and rests on carved feet.

This handsome mahogany highboy has been professionally restored and is ready to be used and enjoyed; the drawers work and will have 4 keys included to use as "pulls."

This traditional highboy shows typical age related wear with small dings, nicks, scratches, etc. none of which impact the function, stability nor use of the dresser. Please examine the photos to appreciate the remarkable details, coloring and condition.
