Gray Painted Small Round Gustavian Side Table, Sweden circa 1890

This lovely small round side table stands gracefully on elongated fluted turned legs. Note the exceptional delicate carved details that add a touch of romance to this petite gustavian table.

The professionally applied layered gray painted finish (with white undertones) has been gently distressed to fit the age of this delightful table.

Restored, stable and ready for use.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this accent table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
