Black Forest Carved Double Wine Barrels, Bferret & Sicot Cognac circa 1890-1910

Traditional hand-carved oak leaves and grapes are the hallmark of this black forest table-top double wine barrel. More specifically, this was designed for cognac per the carved name "Bferret & Sicot Cognac" with a central crest/coat of arms. The two removeable barrels with spigot rest within the carved base, which sits stable upon a table top surface. Sold in solid, used vintage condition. Please enlarge photos to appreciate the carving and rich color of oak. This unique find will make a great accent piece in a wine cellar, smoking room, bar, etc. Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this interesting cognac display. Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
