Antique 8' Tall Pine Corner Cabinet Cupboard, Sweden circa 1820-40

This stunning Swedish country corner cupboard reveals its age in the deep, warm patina of the aged pine.

Standing at 8' tall and crowned with a lovely carved bonnet, this stately corner cabinet will make a strong statement in any room.

Upper cabinet has 3 shelves, lower cabinet has 1 shelf and a central drawer lays between both sections.

There is a slight decorative "lip" to the lower cabinet upon which the top section rests.

Restored with a waxed finish, this tall corner cabinet is strong, stable and ready for use.

The hardware is original, there are no keys nor functioning locks. No pulls, just use hands to open doors and close with an interior snap clip.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this remarkable pine corner cupboard.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
