## FOR HENRIK: Large Antique Danish Bow Front Pine Corner Cabinet, Circa 1840-60

The lovely appeal of this large bow front corner cabinet is due to the elegant Danish styling and soft patina of the aged pine. The cabinet is made in two sections, both crafted with large curved paneled doors. Behind the doors are a series of shelves, 1 above and 3 below, offering ample storage. Between the doors are two curved drawers. Restored, strong and stable this tall corner cabinet is ready to be used and enjoyed. Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this lovely piece.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
