## Set of Four Tabouret Stools Painted White from Sweden circa 1890

This lovely set of four white painted Swedish stools or tabourets have graceful curved, splayed legs which add an elegant touch to each.

The hand rests are topped with round finials while the distressed patina of the later paint adds to their charm.

The deconstructed muslin fabric shows wear, tears and stains, and is ready to be replaced with modern upholstery at the discretion of the buyer.

This set of four is solid, stable and ready to be enjoyed. Any scratches, cracks, dings, or age related separation are commensurate with age and do not detract from the beauty nor function of these lovely stools.

Seat height: 15.75"
