Antique Gustavian White Painted Sideboard Buffet, Sweden circa 1860

Gustavian white painted pine sideboard or server cabinet with three interior shelves. Traditional decorative fluted diamond panels, raised on carved feet.

The newer, professionally applied white painted finish is lightly distressed to fit the age and grace of this Swedish sideboard. Three keys included to use as pulls only. Restored, strong and stable. Any nicks, scratches, signs of wear are reflective of generations of use and do not impact function.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
