Original Oil on Canvas Landscape Painting With Woman & Man by River, Italy, circa 1800-40

Original oil on canvas painting of landscape with resting couple in the foreground and castle on the distant hill (upper right corner). The impressive 6' length adds to the visual impact of this lovely old painting displaying lovely hues of blues and greens by an unknown artist.

Condition includes craquelure throughout. Canvas will likely benefit from a light cleaning which we leave to the discretion of the buyer.
