Pair, Swedish White Painted Wingback Arm Chairs, circa 1910

Graceful with a romantic air, this pair of Gustavian style wingback arm chairs still maintain their charming original white paint, lightly scraped revealing a warm patina of natural wood below.

Simple linen upholstery on back, seat and arms has deconstructed look and feel; staples visible throughout. Some stains, marks, etc. These are easy to reupholster upon discretion of buyer.

This pair of arm chairs are restored, stable and ready to use. They each sit low and firm.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this lovely pair.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
