Blue Painted Chest of Three Drawers with Serpentine Front, Sweden circa 1860-80

The soft blue painted finish is captivating in this attractive chest with three serpentine front drawers raised on curved cabriolet feet.

Restored, later professionally painted in layered shades of blue with white undertones and lightly distressed to fit the age and grace of this lovely chest. Drawers function with two large brass pulls on each.

Any scratches, cracks, dings, or age related separation are reflective of age and do not detract from the beauty nor function of this 4' wide dresser which is ready to be used and enjoyed.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
