## Pair, White Painted Swedish Gustavian Linen Arm Chairs circa 1900-20

This pair of Swedish arm chairs have a gently curved barrel back, cabriolet legs and decorative carving embellish the skirt which all add to the graceful appeal of each. The newer professionally applied white layered painted finish has been gently distressed fitting the age and romantic appeal of these lovely arm chairs. Wood frame is restored, strong/stable. Signs of wear including nicks, dings, scratches and age-related separation are a reflection of age and do not impact the function nor beauty of this pair.

Simple linen upholstery on back and seat with deconstructed look and feel; staples and stitched seams visible throughout. Can easily be re-upholstered at discretion of buyer. Staining is visible around edge one seat cushion.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.

Seat Height: 17.5"
