Original Painted Pine Side Table With Drawer, Sweden circa 1820-40

Swedish country original painted pine side table with traditional tapered legs and single drawer.

The original paint has been worn down to the warm pine patina below. Faint remains of blue/green/teal paint are visible along with the scratches, stains, nicks and cracks that occurred over generations of use.

Restored, strong/stable and ready for use. Even the old cracks seen along the right side and top simply add to the authentic vintage feel of this side table.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
