Blue Painted Writing Table Work Table with Drawers, Sweden circa 1840-60

This wonderful old work table has the original pine top resting on a light blue painted base.

Notice the two usable drawers on one side and one drawer on the opposite side that add both function and charm, all resting on traditional tapered legs.

This table has been restored so it is strong, stable, ready to be used and enjoyed.

Floor to skirt height: 20.5"

All scratches, cracks, dings, stains, gouges or age related separation are reflective of generations of use (especially the top) and do not detract from the form nor function of this wonderful Swedish country table.

Where the pale blue painted finish has been rubbed off the natural pine wood is seen below.

Please refer to professional photos for clear understanding of color, condition and details; photo lighting, individual monitor display and home lighting may all impact how item is viewed.
